

Cheers to the Volunteers of DPVA!!

April is National Volunteer Month, making this the perfect time to express our gratitude to YOU, our dedicated group of volunteers. You are truly the lifeblood of DPVA.

Among the many jobs done as faithful volunteers, you have:

**Engaged children in activities prior to DPO's Family Concerts*

**Made "Orchestra and You" and "Young People's Concert" preview presentations in over 59 schools*

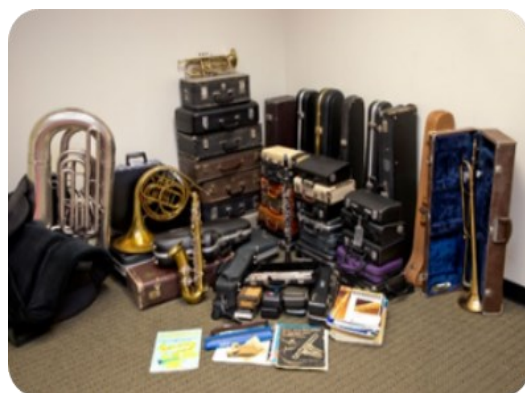

**Served as mentors and aides at "Q the Music" at Ruskin Elementary*

**Served as greeters and ushers at "Magic Carpet" and "Young People's" concerts*

**Collaborated with WDPR, Grismer and Stivers School for the Arts in the "It's Instrumental" program*

**Planned and staffed the Show House*

**Hosted pizza parties for DPYO and supported musicians during DPYO auditions*

**Sponsored DPVA membership activities*

**Gave financial support through gifts, memorial donations, general contributions and dues*

Without our dedicated members, we wouldn't have the "V" in DPVA!!
